4. UNIT DESIGNATION.

Declarant does hereby establish within the Property two classes of units: Class A of which there shall be eight (8) units and Class B of which there shall be one (1) unit, together comprising all of the Property, nine (9) units in total. Class A units shall be used exclusively for residential purposes, the Class B unit shall be used exclusively for commercial purposes. The use of all units shall be further restricted by provisions contained within Paragraph 12. Declarant does hereby designate all units for separate ownership. Each unit is identified by a specific numerical designation with a separate unit address as shown on Exhibit "B." Each unit is bounded both as to horizontal and vertical boundaries by the interior surface of its perimeter walls, ceilings, and floors, which are shown on the aforesaid plans filed in the Durham County Registry. Mechanical equipment, stairways, and appurtenances (if any) located within any unit and designed to serve only that unit shall be a part of the unit.

Each Unit Owner has an unrestricted right of ingress and egress to his or her unit, unless same is limited as a result of special uses noted in paragraph 12 herein. This right shall be perpetual and it shall pass with the unit estate as transfers of unit ownership might occur. Any conveyance, encumbrance, judicial sale or other transfer (voluntary or involuntary) of an individual interest in the common elements will be void unless the unit to which that interest is allocated is also transferred.

A condominium parking facility will be built beneath the Class B unit. The parking spaces located within the condominium parking facility shall remain the exclusive possession of the Declarant until assigned to a Unit Owner as provided herein. Incident to its ownership of a condominium Unit described herein a Unit Owner may be granted by the Declarant an exclusive right and license ("Parking License Agreement") to use such parking space identified on an exhibit attached thereto as Exhibit "E."

5. PARTY WALLS.

The walls, flooring and ceilings connecting adjacent units are "party walls" and are situated on or about the boundary line separating units. In the case of any walls, flooring and ceilings that are herein described as party walls, all furring, wallboard, paneling, tiles, wallpaper, paint, finished flooring and any other materials constituting any part of the finished flooring, and any other materials constituting any part of the finished surfaces thereof are a part of the unit and all other portions of such walls, floors or ceilings are a part of the common elements, pursuant to GS 47C-2-102(1).

Each wall which is built as a part of the original construction of a unit and placed on the dividing line between the units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Declaration, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

The cost of reasonable repair and maintenance of a party wall shall be shared by the owners who make use of the wall in proportion to such use. Notwithstanding any other provisions of this Declaration, a Unit Owner who by his negligent or willful act causes a party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

6. COMMON AREAS AND FACILITIES.

The common areas and facilities consist of all parts of the multi-unit building situated on the Property other than individual units therein. The Association shall have the responsibility for maintaining the common areas and facilities. The common areas and facilities shall include without limitation the following:

- (a) The land on which the building is erected and all land described in Paragraph 2 above.
- (b) All foundations, columns, girders, beams, supports and other structural members.
- (c) The roof and all exterior walls and interior walls except those partition walls and all ceilings, floors, and stairways wholly within a unit.

7. LIMITED COMMON AREAS AND FACILITIES.

Limited Common Areas and Facilities shall mean and include those common areas and facilities reserved for use by a certain Unit or Units to the exclusion of other Units, including any deck, open porch, patio stoop, steps which directly connect the unit to the public sidewalk, balcony, or any assigned parking spaces on the Property. Each Unit Owner is hereby granted an exclusive and irrevocable license to use and occupy such Limited Common Areas and Facilities as are associated with such Unit Owner's Unit.

The Declarant shall have the exclusive right to assign each parking space in the condominium parking facilities to Class A unit owners. Class A Unit Owners may agree to re-assign parking spaces among each other, provided that each Class A unit shall at all times have a parking space assigned to it as a Limited Common Element. Until such time as they are allocated to a specific Unit, parking spaces shall remain under the exclusive control of the Declarant, and the Declarant may sell, lease, and/or transfer the right to use said parking spaces in Declarant's sole discretion.

The roof deck shall be exclusively reserved for use by the Class A members.

The cleanliness and orderliness of the Limited Common Areas and Facilities shall be the responsibility of the individual Unit Owner or Owners in the case of the roof deck, but the responsibility for maintenance, painting, repair and replacement thereof, together with control over the exterior decoration of same, shall be and remain with the Association. Some Unit Owners have more or less Limited Common Areas than others. There are no Limited Common Areas and Facilities except as provided in this Paragraph 7.

8. PERCENTAGE OF OWNERSHIP IN COMMON AREAS.

Each unit shall have a fee simple undivided ownership interest in the common areas as more specifically set forth in Exhibit "B-1" attached herewith. Except as provided in Paragraphs 22 and 24 of this Declaration, the percentage of common area per unit shall not be changed without the unanimous consent of the owners herein.

Every owner of a Unit shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Unit which is subject to assessment.

Each Unit together with its undivided interests in the common areas and facilities, shall, for all purposes be and is hereby declared to be, and to constitute a separate parcel of real property and the Unit Owner thereof shall be entitled to the exclusive ownership and possession of his unit subject only to the covenants, restrictions, and easements herein and by the By-Laws, rules, regulations and resolutions adopted pursuant thereto.

9. CREATION OF THE LIEN AND PERSONAL OBLIGATION OF ASSESSMENTS.

The Declarant, for each unit owned within the Property, hereby covenants, and each owner of any unit by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association the annual assessments or common charges to be established and collected as hereinafter provided. All units will be allocated full assessments no later than sixty days after the first unit is conveyed except for unsold and unoccupied units owned by the Declarant which shall be assessed at the full rate of assessment until either sold or occupied.

The annual and special assessments, together with the interest, and costs and reasonable attorney's fees incurred in the collection thereof, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest and costs and reasonable attorney's fees incurred in the collection thereof, shall also be the personal obligation of the person (or persons) who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

The assessments levied by the Association shall be used exclusively to promote and protect the recreation, health, safety, and welfare of the owners, for the improvement and maintenance of the common areas and facilities, the building and improvements situated upon the Property, and to pay ad valorem taxes and public improvement assessments levied against the common areas. The assessments shall not cover any charges due to be paid to associations to which the Association is subordinate.

The assessments levied by the Association upon Class A Unit Owners shall include charges for the maintenance of each parking space within the condominium parking facility and for maintenance of the roof deck. Such assessments shall not be levied upon the Class B Unit Owner.

Any lien for delinquent common expense assessments or other charges that the Association has on a unit will be subordinate to a first mortgage on the unit, if the mortgage was recorded before the delinquent assessment was due. Any such lien for a common expense assessment will not be affected by the sale or transfer of the unit estate, unless a foreclosure of a first mortgage is involved, in which case the foreclosure will extinguish the lien for any assessments that were payable before the foreclosure sale, but will not relieve any subsequent Unit Owner from paying further assessments.

10. WORKING CAPITAL FUND.

A working capital fund shall be established by the Declarant in order to meet unforeseen expenditures or to purchase any additional equipment or services. The working capital fund shall be initially funded by the Declarant in an amount equal to two months of the estimated common charges for each unit. The Declarant is expressly prohibited from using the working capital funds to defray any of its expenses, reserve contributions or construction costs or to make up any budget deficits while it is in control of the Association. Each unit's share of the working capital fund shall be collected at the time the sale of the unit is closed. Any amounts paid into this fund shall not be considered as advance payments of regular assessments. At such time that each unit's share of the working capital fund is paid in by a Unit Owner as provided herein, the Declarant shall be reimbursed out of the working capital fund for that amount previously paid by the Declarant to the working capital fund on behalf of the unit. The working capital fund shall be transferred to the Association for deposit to a segregated fund when control of the Association is transferred to the Unit Owners by the Declarant.

11. AMOUNT OF LIEN.

The lien for each unit as described in Paragraph 9 above shall be based on the percentage share in common areas as described in Paragraph 8 above. Said lien shall be perfected upon filing in the Office of the Clerk of Superior Court, Durham County, North Carolina.

The Grantee of a unit shall be jointly and severally liable with the Grantor for all unpaid assessments against the latter for his proportionate share of the common expenses up to the time of the grant or conveyance, without prejudice to the Grantee's right to recover from the Grantor the amounts paid by the Grantee therefor. However, any such Grantee shall be entitled to a statement from the manager or Board of Directors, as the case may be, setting forth the amount of the unpaid assessments against the Grantor and such Grantee shall not be liable for, nor shall the unit conveyed be subject to a lien for, any unpaid assessment in excess of the amount therein set forth.

The use of the building and units are further restricted by the By-Laws of the Association. No Class A unit may be subdivided into smaller units or any portions thereof, sold or otherwise transferred without first amending this Declaration

and the By-Laws to show the changes in the units to be effected thereby. At the sole discretion of the Declarant and prior to the first recording of this Declaration, the Declarant may subdivide the Class B unit into two separate units. Any subdivision of the Class B unit shall be evidenced by requisite changes in this Declaration and Bylaws to reflect same.

Occupancy of each unit shall comply with all applicable municipal ordinances, including but not limited to restrictions on the number of persons over the age of eighteen unrelated by blood or marriage who shall reside in any single unit for more than thirty consecutive days in any one calendar year.

The common areas and facilities shall be used only for the purposes for which they are intended and the furnishing of services for the enjoyment of the units.

The Board of Directors may hereafter agree that easements for utility purposes for the benefit of the Property, including the right to install, lay, maintain, repair, and replace water lines, pipes, sewer lines, telephone wires and electrical conduits, wires over, under and along any portion of the common areas in each unit hereby grants the Board of Directors irrevocable power of attorney to execute, acknowledge, and record for and in the name of each Unit Owner such instruments as may be necessary to effectuate the foregoing. An easement is hereby established over all common areas for the benefit of applicable governmental agencies for the setting, removing, and reading of water meters, maintaining and replacing water, drainage and drainage facilities, firefighting, law enforcement, garbage collection and the delivering of mail.

The Durham Fire Department has similar policies and thereby refuses to be responsible for failing to provide any emergency or regular service to such developments or their occupants when such failure is due to the lack of access to certain roads or streets that are not public due to inadequate design or construction, blocking of access routes or any other factor within the control of the Declarant, Association, or occupants.

Accordingly, the Board of Directors is hereby empowered to make all efforts to assure that there is adequate access to all units and shall not allow any blocking of access or defects in access to remain uncorrected.

16. PARTITIONING.

The common areas and facilities shall not be divided nor shall any right to a partition thereof exist. Nothing herein contained ever shall be deemed to prevent ownership of a condominium unit by the entireties, jointly or in common or in other form permitted by law.

17. DAMAGE, DESTRUCTION AND CONDEMNATION.

Except as herein provided, damage to or destruction of the building shall be promptly repaired and restored by the Board of Directors. The Unit Owners shall be liable for assessment of any deficiency, provided however, that if the building be more than two-thirds destroyed by fire or any other casualty or the same taken by condemnation and the owners of 67% of the units and 51% of the votes of units estates that are subject to mortgages held by eligible holders resolve not to proceed with reconstruction or restoration, then in that event, the property shall be deemed to be owned as tenants in common by the Unit Owners and subject to the provisions of North Carolina General Statutes Section 47C-2-118 as the same exists as the date hereof.

Implied approval by an eligible mortgage holder shall be assumed when an eligible mortgage holder fails to submit a response to any written proposal within thirty (30) days after it receives proper notice of the proposal, provide the notice was delivered by certified mail or registered mail with a "return receipt" requested.

The Association shall appoint an Insurance Trustee to act on behalf of the Unit Owners in connection with the settlement of any condemnation awards or insurance claims and to administer the allocation of proceeds among the various interested parties.

Any losses, awards or proceeds from the condemnation, destruction or liquidation of all or a part of the property shall be payable to the Association's Insurance Trustee for the benefit of the Unit Owners and their mortgage holders. Any distribution of funds in connection with the termination of the project shall be made based on the relative value of each unit and in accordance with the formula that is used to determine the Unit Owner's individual interest in the common elements.

Any reconstruction or repair shall be in accordance with the plans and specifications of the original building, portions of which are attached hereto.

18. INSURANCE.

The insurance which shall be carried upon the property shall be governed by the following provisions:

(i) Casualty or physical damage insurance shall be carried in an amount equal to the full replacement value (i.e., 100% of full "replacement cost") of all buildings and all improvements on the Property owned either by the Association or the Unit Owners and all personal property included within the Property described in Exhibit "A" hereto, except such personal property as may be owned by the Unit Owners, with a replacement cost endorsement and an inflation guard endorsement, without deduction or allowance for depreciation (as determined annually by the Board of Directors with the assistance of the insurance company affording such coverage), such coverage to afford protection against at least the following:

All Casualty Insurance policies shall be purchased by the Association for the benefit of the Association, the Unit Owners and their respective mortgagees, as their interests may appear and shall provide (a) for the issuance of certificates of insurance with mortgagee endorsements to the holders of mortgages on the Units, if any, and (b) that the insurer waives its rights of subrogation against the Unit Owners, Occupants and the Unit Owners Association. All casualty insurance policies shall provide that all proceeds payable as a result of casualty losses shall be paid to the Board of Directors as trustees, for each of the Unit Owners in the percentages established in this Declaration for the purposes elsewhere stated herein, and for the benefit of the Association, the Unit Owners, and their respective mortgagees as their interests may appear.

(ii) The Association shall insure itself, the members of the Board, the Unit Owners, and the Occupants against liability for personal injury, disease, illness or death and for injury to or destruction of property occurring upon, in or about, or arising from or relating to the Condominium Project or any portion thereof, including, without limitation, water damage, legal liability, hired automobile, non-owned automobile and off-premises employee coverage, such insurance to afford protection in such amount and with such coverage as shall be deemed necessary by the Association. All liability insurance shall contain cross-liability endorsements to cover liabilities of the Unit Owners as a group to a Unit Owner. In the event the insurance effected by the Association on behalf of the Unit Owners and Occupants against liability for personal injury or property damage arising from or relating to this Condominium Project shall, for any reason, not fully cover any such liability, the amount of any deficit shall be a Common expense to the Unit Owners, and any Unit Owners who shall have paid all or any portion of such deficiency in an amount exceeding his proportionate share thereof based on his percentage of interest in the common areas shall have a right of contribution from the other Unit Owners according to their respective percentage of interest in the common areas.

(iv) All insurance policies shall be written with a company or Companies licensed to do business in the State of North Carolina and holding a rating of "A+" or better in Best's Insurance Guide.

(v) Exclusive authority to negotiate losses under said policies shall be vested in the Board of Directors or its authorized representative.

(vi) In no event shall the insurance coverage obtained and maintained pursuant to the requirements hereof be brought into contribution with insurance purchased by the Owners of the condominium units or their mortgagees, as herein

permitted, and any "no other insurance" or similar clause in any policy obtained by the Unit Owners Association pursuant to the requirements hereof shall exclude such policies from consideration.

(vii) All policies shall provide that such policies may not be canceled or substantially modified without at least thirty (30) days prior written notice to any an all insureds named thereon, including any and all mortgagees of the condominium units.

(ix) All policies of insurance shall contain a waiver of subrogation by the insurer as to any and all claims against the Association, the Board of Directors thereof, the Owners of any condominium unit and/or their respective agents, employees or invitees, and any defenses based upon co-insurance or invalidity arising from the acts of the insureds.

The Owner of any Condominium Unit (including the holder of any mortgage thereon) may obtain additional insurance (including a "Condominium Unit Owner's Endorsement" for improvements and betterments to the condominium unit made or acquired at the expense of the owner) at his own expense. Such insurance shall be written by the same carrier as that purchased by the Board of Directors pursuant to the provisions hereof or shall provide that it shall be without contribution as against the same. The Declarant recommends that each owner of a Condominium Unit in the project obtain, in addition to the insurance hereinabove provided to be obtained by the Unit Owners Association, a "Tenant's Owners Policy", or equivalent, to insure against loss or damage to personal property used in or incidental to the occupancy of the Condominium Unit, additional living expense, vandalism or malicious mischief, theft, personal liability and the like. Such policy should include a "Condominium Unit Owner's Endorsement" covering losses to improvements and betterments to the condominium unit made or acquired at the expenses of the Unit Owner.

20. UNITS SUBJECT TO DECLARATION.

All present and future owners, tenants, occupants of units and employees of owners and tenants shall be subject to, benefited by and shall comply with the provisions of this Declaration, by the By-Laws and any rules and regulations as may be adopted in accordance with the By-Laws. In accordance herewith, the Declaration, By-Laws and rules and regulations may be amended from time to time. The acceptance of a deed or conveyance or the entering into of a lease or the entering into occupancy of any unit shall constitute an agreement that the provisions of this Declaration, By-Laws, and any rules and regulations which may be adopted are accepted and ratified by such owner, tenant, or occupant and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such unit as though provisions were made a part of each and every deed, conveyance or lease. When there are unsold units in the project, the Declarant also shall enjoy the same rights and assume the same duties under this Declaration as they relate to each unsold unit but for the payment of assessments on unsold and unoccupied units (see Paragraph 9).

21. CONSTRUCTION.

In interpreting any and all provisions of this instrument, the Exhibits attached hereto and subsequent deeds and deeds of trust covering individual units, the actual location of the unit shall be deemed conclusively to be the property intended to be conveyed, reserved or encumbered notwithstanding any minor deviations, either horizontally or vertically, from the locations indicated in Plat Book 12, Pages 253-261, Durham County Registry or in minor variations in the description of the unit contained herein. To the extent that such minor deviations in location do or shall exist, a valid easement therefor and for the maintenance thereof does and shall exist.

22. AMENDMENT.

The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten

(10) years. This Declaration may be amended by an instrument signed by not less than eighty percent (80%) of the Unit Owners. Any amendment must be recorded.

Amendments of a material nature shall be agreed to by Unit Owners who represent at least 80% of the total allocated votes in the Association and by eligible mortgage holders who represent at least 51% of the votes of unit estates that are subject to mortgages held by eligible holders. Unit Owner votes may be cast in person or by proxy at a meeting held in accordance with the provisions of the By-Laws. For a period no longer than five (5) years after the initial filing of this Declaration in the Durham County Registry, the Declarant may unilaterally amend this Declaration without the consent or approval of other Unit Owners or eligible mortgage holders provided such amendment shall be exclusively for the purpose of (a.) correcting clerical error, (b.) making changes required by the Federal National Mortgage Association or other such agencies, and (c.) making changes other than material changes (as defined below) to this Declaration. Otherwise, this Declaration may be amended by an instrument signed by not less than eighty percent (80%) of the Unit Owners. No such amendment shall be effective until set forth in an amended declaration and duly recorded in the Office of the Register of Deeds in Durham County, North Carolina.
