

- a. That the survey creates a subdivision of land within the area of a county or municipality that has an ordinance that regulates parcels of land;
- b. That the survey is located in such portion of a county or municipality that is unregulated as to an ordinance that regulates parcels of land;
- c. That the survey is of an existing parcel or parcels of land;
- d. That the survey is of another category, such as the recombination of existing parcels, a court-ordered survey, or other exception to the definition of subdivision;
