

I, James M. Grant, do hereby certify that this plat was drawn under my supervision from an actual survey made under my supervision using references shown hereon; that the boundaries not surveyed are shown as broken lines plotted from information shown hereon; that the ratio of precision as calculated by latitudes and departures is 1: 218,902; that this plat was prepared in accordance with G.S. 47-30 as amended. Witness my original signature, registration number and seal this 17th day of July, A.D., 1996.

James M. Grant
Surveyor
L-3753
Registration Number

North Carolina, Wake County

I a Notary Public of the County and State aforesaid certify that James M. Grant, a Registered Land Surveyor, personally appeared before me this day and acknowledged the execution of the foregoing instrument. Witness my hand and official stamp or seal this 17th day of July, 1996.

Donnie Jay Clark
Notary Public

CERTIFICATION OF REVIEW BY WAKE COUNTY DEPARTMENT OF HEALTH

I hereby certify that lot(s) shown on this plat for Lot 1 has been reviewed as appropriate and as indicated below with respect to minimum space requirements for subsurface sewage disposal and water supply system(s). Based on this review, it appears that lot(s) on this plat probably will meet appropriate Wake County Department of Health Regulations.

Certification granted for existing structure with respect to recombination of property lines on lot(s) Lot 1. Any change in use or any site alteration may result in suspension or revocation of applicable permits.

There shall be no filling or the erection of permanent structures in the areas of Wake County Flood Hazard Soils or Federal Emergency Management Agency Zones until a flood study is approved by Wake County or FEMA.

Before acquiring a building permit for lots marked by * (an asterisk) the builder may need to obtain a Flood Hazard Permit from County Zoning Administration. The builder's engineer, architect or surveyor must certify on any permit that all flood hazard requirements are met.
